PRESIDENT'S MESSAGE • BILL ADAMS

Welcome to November.

HAPPY THANKSGIVING!!!

It's time to get together, carve and share the turkey, dressing and everything that goes with. The meal, spending time with family and reflection is the reason for Thanksgiving. Please get together, eat and enjoy the special day.

This year is flying by. I hope chips are flying in your shops just as fast. The pressure is on to get those last few Christmas gifts finished and ready to be delivered.

We had a great time at the club picnic. The dining area was packed. Everyone enjoyed the burgers, hot dogs, amazing side dishes and the desserts. My favorite, of course, was the dessert selection. I enjoyed dessert but unfortunately didn't leave enough room for my burger.

Women In Turning is planning to meet on January 15th. Our club program is in it's infancy and it's very exciting. Robin Carstens and Debbie Jones are club liaisons and planning some fun stuff to kick off our club program. Check with them for the latest updates and to be a part of WIT.

Our participation in the Woodcarvers Art Festival was fun. We met a lot of really nice people and some prospects for Learn To Turn. We sold some tops and a few other things but mostly we just enjoyed the fellowship with the carvers and festival attendees.

Our club Christmas Dinner is December 2nd. We are having the same delicious food catered as last year plus the entertainment of the Sweet Adelines as we dine. Our dinner will be followed again this year with Dirty Santa. Bring something you have made to exchange and get involved. Dirty Santa is always fun.

Don't forget about Open Turning. Our club is the perfect place to finish your gift list and spend time with friendly folks who also turn. Our club is spectacular and just keeps getting better.

We have professional turner Sammy Long scheduled for February 21st - 24th. Make your plans early. Call Dwayne Watt to sign up.

This month is a time to share time with family and friends, to reflect and be thankful. I am thankful for our club facility and all the members we have the privilege to associate with. This club is unique and spectacular! Let's remain thankful for what we have and keep sharing.

Happy turning,

Bill Adams

WIT is dedicated to encouraging and assisting women in their pursuit of turning by sharing ideas, information, and processes to further their skills and creativity. WIT programming provides a platform to connect women, embracing all backgrounds and differences in celebration of equity and inclusion.

NEOWTA is proud to announce that we will start a chapter of Women In Tuning!

Robin Carstens is chairing this new venture. If you are interested in joining or just learning more about WIT, please contact Robin at 918-991-5907 or email rcarstens2@gmail.com, or Debbie at 918- 497-6387 or email debcj8@gmail.com.

Thank you for the enthusiastic response to starting a Women In Turning group within our club. We will come together January 15 to work on the national WIT initiative of turning wig stands to be donated to women undergoing cancer treatment. Plan to meet at the club at 5:30pm for a pizza dinner and then spend time together turning the wig stands. Debbie Jones will have the wood ready for us so all we need is YOU! If you have any questions reach out to either Debbie Jones or Robin Carstens, WIT liaisons.

NEOWTA 2025 PICNIC

DECEMBER CHRISTMAS DINNER

Christmas Dinner

NEWOTA Christmas Dinner will be held on Tuesday, December 2, 2025, 6:00pm.

Dinner, Entertainment, Dirty Santa, Prizes!

Cost: \$25 per person.

December 3rd, 6:00pm. Dinner will be catered by Stu B Que Catering. The menu will include Turkey, Ham, Potatoes, Smoked Green Beans and more. Cost is \$25 per person.

Sign up at the November meeting, Pre-registration required.

There will also be a Dirty Santa Gift Exchange. Bring a wrapped gift, that you made, to be included in the gift exchange. There will be a sign-up sheet if you want to participate.

Participants will bring one of their turned or hand made items that they would like to exchange in the game.

Each individual who brings a piece, wrapped or in an unmarked bag, will pick a piece of paper with a number on it. These numbers will be used to take turns to choose a gift by either taking one from under the tree or taking one from another individual. A gift that has been stolen twice will only be available for one more steal.

The third person is allowed to keep the gift. You cannot take the same gift back in the same turn. You must take someone else's gift or return to the tree.

The person who draws number one goes to the tree first, then number two. Number two can take number ones gift or go to the tree for a gift. This

continues through all the numbers, after the last participant has a gift, number one has a chance to keep their gift or choose a gift that is not safe. You cannot take a gift that has been ruled safe and you cannot bring any gag items. This is a fun game and only those who want to participate will be participating.

CHARITABLE GIVING

NEOWTA has had a long history of giving to help others. For many years our club gave to the following: Beads of Courage, for children going fighting major illness, Food Bank of Northeastern Oklahoma Empty Bowl Gala Event, Turning tops for the children at the Tulsa State Fair and Pens for Troops.

Time has changed and we now find ourselves with only Pens for Troops. While this is a great cause, the board of directors feel that we can and should be doing more to help others in our community. I have stepped up to get NEOWTA's charitable giving program revitalized.

We would like to get 3 or 4 items donated every month from members, so that when we have charitable organizations that we wish to support, items can be gathered from our storage and be given to the organizations as needed through the year. Starting with the September meeting, if you turned an item that you would like to donate, please bring it to the meeting and find me. I have a simple form for you to fill out and the item will be stored until we have a charity that we will donate items to their fund raising events.

So far in 2025 our club has donated the following:

Griffin Promise Autism	8 items
Little Light House	4 items
Tulsa Arts Alliance	3 items
Pens for Troops	387 Pens

We currently have one more confirmed organization and two more that I will be talking with shortly.

So let's make an impact on others and come up with some beautiful turned items to donate.

I am looking forward to seeing some donations come in at every meeting.

If you have any questions please email at: JSBONEM@GMAIL.com

Sammy Long Carving Class

Class Opportunity with Sammy Long

NEOWTA has arranged for Sammy Long to come to Tulsa for a demonstration day February 21 and classes February 22 - 24, 2026. Sammy is well known for his expertise in pierced and power carved wood turnings. He has taught his power carving and piercing classes at John C. Campbell Folk Art School as well as Arrowmont School of Arts & Crafts.

The carving shown above (sans deer antler) is the type of 3-day class project Sammy can bring to NEOWTA. The methods used here are the same as Sammy uses on his vase and bowl carvings. For further examples of Sammy's work look here: <https://www.sammylong.com/portfolio>

SO....the big question is who among us would be willing to commit to a 3-day power carving class with Sammy Long? If you are one of the folks that are solidly interested in this class, please let Dwayne Watt know in the next week or so (preferably by the next general meeting on November 18). Contact can be made by phone / text at 918-914-9430, or email at neowta.events@gmail.com, or in person. Actual class registration will start in January, 2026.

PICTORIAL DIRECTORY

All NEOWTA members, who have paid their 2026 dues will receive a 2026 Directory. This should be ready by March 1, 2026. Paid members will receive a copy of the directory in their email.

We would like to have a photo of each member, so it is easier to identify each other. Especially for those who know the face but not the name.

This directory is for your personal use only. Please do not share this directory with any business or none members.

If you would like to get your photograph in the directory, ask Debbie, Curtis or Arthur to take your photo and we will be glad to include it into the 2026 Directory.

If you have any corrections, please contact Arthur Barber at abarber2@gmail.com or 918-671-2437.

Who We Are

We are a chapter of Blue Star Mothers of America, and you can learn more about us through our national organization [here](#).

As mothers of military men and women serving or Veterans who were honorably discharged, we support each other and our children, assisting other VSO's, and our local veterans while promoting patriotism.

We were chartered by Congress on January 6, 1960 and our Congressional charter was updated January 5, 2011.

What We Do

One of our primary missions is to support the deployed members of the United States Armed Forces, *no matter what state they call home*, with care packages from home. These names are supplied to us through the Military Bases or through family, friends (and even through our deployed when they see someone not receiving mail.)

We collect items through community donations for these care packages and accept cash donations to help with shipping and purchases possible. As well, we host many events to help in funding this effort.

How to join the class

1. You must be a member of NEOWTA to take the classes.
The current membership dues are \$60 for individual and \$100 for immediate family (spouse or 1 child)
2. We conduct the four class sessions over two consecutive Saturdays.
3. The cost for the classes is \$150. This includes all materials. This is very inexpensive as wood turning classes go. The full cost is payable before the beginning of the first class.
4. People who have taken the class previously have appreciated the instructors and the feeling of confidence that they gained from the experience. Even if you have some self taught experience, it is likely that you will benefit from this class because you will benefit from not needing to make all the mistakes yourself.
5. All classes are in the NEOWTA (heated and air-conditioned!) classroom at 10117 E 50th St in Tulsa using one of our full sized lathes. All wood, tools, and equipment required for the class will be furnished—even sandpaper!
6. Classes are conducted from 8:30 to 4:00 on the scheduled Saturdays.
7. The instructors are experienced and will demonstrate each step prior to student practice.
8. Safety is emphasized throughout all classes. We want you to go home with something that you made, not a lump or cut!
9. Students are expected to clean up their work stations at the end of each class
10. We have been using the same basic curriculum for the past several years but our teaching techniques continue to evolve and improve based on feedback from previous students. We want you to be comfortable and we want you to learn.

Contact [Dwayne Watt](mailto:Dwayne.Watt@neowta.com) if you are interested in this class.

MENTORING PROGRAM

Our mentoring program is one of the unique benefits of our club. Our mentors can help with basic to complex turning and teach safety along the way. This is a great way to start out or hone your skills with complex tasks taught by turners skilled in specific areas of turning. Our mentors are volunteers and are dedicated to sharing information on all facets of woodturning. Rest assured however, that all of our mentors are easy to work with. Most often the mentor opens his/her shop to the applicant at a mutually agreed upon time and schedule. So how does the mentoring program actually work? The program is flexible. Just contact a mentor below and arrange a time and date to meet. Are you a new turner? I want to make sure we meet your needs!

Are you a Beginning Woodturner?
